November 27, 2012

The Department of Transportation is pleased to announce that the Notice to Proceed (NTP) date for the Dundalk Avenue Streetscape project is November 26, 2012. The project length is two years and includes multiple streetscape improvements along Dundalk Avenue (from Eastern Avenue to the south city limit) making the street safer and more attractive for vehicles, bicyclists, and pedestrians. When traveling in the area please be aware of detour signs, reduce speeds, and use caution.

For questions or more information please do not hesitate to contact me directly or check the project's website for updates: <http://www.orangeconeproject.com/category/seroadreconstruction/>

Thank you for your patience and support.

Best,

Mary Colleen Buettner
